Call to Order

BPD Southern District – Sgt. Rivera & Ofc. Washington

- Year-over-year stats given
- Improvements in most areas
- Worst stat for this area is the Larceny category (Porch Pirates in particular)
- We need to know when this happens – and it would be good to have camera footage – tell Ofc to send you a link that you can upload w/the evidence – that will go into the report
- Larceny Call Pilot program – Eastern District
- Southern District ride-along will show how deal with issues
- Entertainment Unit District
- Mike: neighbor victim of attempted carjacking on Ostend St – Sunday morning – unsure if that's only occurrence (05:30 – Sunday AM) – Sgt. Rivera to follow up – black SUV – chased up Light St

Justin – minutes uploaded but we'll review those at the end

Andrew Carter of AJ's & Delia Foley's

- St. Patrick's Day – historically did a 1-day block party at DF
- It'll either be 03/13 or 03/20 (likelier 03/13) unless there's severe inclement weather
- Want to extend length 20' to 140' (b/t Fort & Charles)
- Same layout, # people, # bands, etc.
- Want to have someone coordinate the sound (an actual sound person)
- Their speakers better – Jerome – also did the Cross St Hot Dog Eating Contest

- We give out free wristbands to the neighbors who live on Charles St
